Tuition is due on the first of the month, and holds your child's space in the classroom, so we cannot prorate, refund or make other allowances for vacations, absences or withdrawal. A late fee of \$40.00 will be charged on the 6th. **Failure to remit tuition or late fees within 15 days of due date will result in revocation of your child's space, which will be offered to the next available applicant.** A minimum **30-day** advance written notice is required before removing your child from school; you are otherwise responsible for the next month's tuition.

Each child remaining past 6:00 pm will incur a fee of \$1.00, then \$5.00, and finally \$10.00 per minute for the first, second and third respective occurrences within a three month period. These fees are payable in cash within the next 5 business days – no exceptions. Failure to pay late fees may result in revocation of Daycare services. The time clock stationed at the entry is used to gauge all fees. You may change your Daycare selection for a \$25.00 administration fee each time; a new, signed fee schedule with effective date is required for each schedule change. Returned checks will incur a charge of \$25.00 each and will be reflected on your statement.

* Hourly accounts will be charged a fee of \$15.00 per hour (no increments), per child for children dropped off before, and/or not picked up by their scheduled time. Children enrolled in Hourly Care are not eligible to attend on dates when the Daycare is open but the School closed. Be sure to consult the school calendar in order to make advance arrangements for alternative care.

Lesser value tuition will be discounted for second (and any consecutive) sibling
